“**Noah Text®** has been a **remarkable literacy** tool in my **classroom** for the past three **academic years**. For **students** who **struggle** with **reading fluency** and **accuracy**, **using** the **multisensory** text has **alleviated** the **habit** of ‘**guessing**.’ **Students** who **normally** would **struggle** to **read** one **chapter** of a book were soon **reading** all three books in **Noah Text®**... **Noah Text®** is **innovative** and a **real ‘game-changer’** for those who **struggle** to **read** the **printed word**.” – **Amy Geary, MS Special Education & Literacy, Middle School Reading Consultant, Montville Public Schools, CT**

“As **choices** for **decodable readers** have **historically** been **fairly limited**, **Noah Text®** brings a breath of fresh **air** to this **market**. The **use** of **onset** and **rime** with the font **differentiation** along with the **syllables** is just pure **genius!**” – **Linnea Johnson, Resource Support Coordinator, Meadowbrook Waldorf School, preschool-8th grade, RI**

“**Noah Text®** **chapter** books **highlight** the **syllables** and long **vowels**, **enabling individuals** to **decode multisyllable** words more **accurately** and more **fluently** while **building reading** skill. **Noah Text®** does this **without compromising** the **interest level** of the book it is **applied** to.” – **Miriam Cherkes-Julkowski, Ph.D., Professor, Educational Psychology, retired, Educational Diagnostician and Consultant, NY, AZ, CT**

“**Noah Text®** **really** helped me **read**. **Being someone** who has **dyslexia** and had **cancer** when they were two, it's hard to **find** books that are **easy** for me to **read!**” – **Middle School Student with Dyslexia**

"I am **extremely** pleased with how **Noah Text®** helps the **struggling reader** come into his own as a **proficient reader**." – **Jennifer Smeltser**, The **Old Schoolhouse Magazine**, The **Trade Magazine** for **Homeschooling Families**

"The sense of **security**, self-**esteem**, and pride a child **experiences** when **able** to **finish reading** a **paragraph**, then a **page**, and **finally** a book is **immeasurable**... **Noah Text®** books are a tool to **aid children** to **achieve** just that!" – **RI Tutorial & Educational Services**, A **consortium of highly trained master teachers serving kindergarten-adult throughout RI and Southeastern MA**

"I am a **huge fan** of your **Noah Text®** books, and would **recommend** it to **any teacher** of **reading** who is **interested** in **getting remedial readers into reading** and **enjoying** books. Thank you so much!" – **Deborah Phillips, M.Ed., Reading Specialist, kindergarten-adult, RI Tutorial & Educational Services**

"If all books were in **Noah Text®**, I would read **everything**. It makes **reading** so much **easier**. You need to go to **Congress** about this! It needs to be in an app!" – **High School Student/Struggling Reader**

"I have **implemented Noah Text®** into my **lesson plan** for **reading** in both my **classes**, **Adult Basic Education One (literacy level)** and **ESL (English as Second Language)**. My **students** are **showing remarkable improvement**, especially in **confidence** in **decoding unfamiliar words during reading**." – **Norma Wallace, Teacher, Northern State Prison, NJ**
